Dear Parents and Students,

Welcome to the 2011 school year! I hope you and your family are well rested and are enthusiastic to begin the first term. Thank you for your assistance with organizational matters this morning.

I am looking forward to working with you and your child this year. It is very exciting to be their teacher for the year!!

The beginning of the year is very busy with lots of information to tell you. This will be discussed at the Information Night on Thursday, 10th February at 8.00, however just a few things to begin with.

Library day is on Friday. Please ensure the books are returned to the box on or before this day. Your child will be able to borrow then.

Sports uniform is to be worn on Fridays.

**We are a nut free class.**

We have set "fruit time" mid morning. Please ensure your child has fruit to eat.

We will meet our buddies this week (Year 2D—Miss Dougherty). During the year we will be doing a range of activities with them,

Diaries are expected to be taken from school to home each day and returned the next day. This will ensure that we can mutually use them for communication. In addition, your child should write what homework was completed that evening and use the diary to record special dates and deadlines.

We are going to the Botanical Gardens next Monday, 7th Feb. Please return the consent notice no later than Thursday.

You will also receive consent notices to be completed for our camp to Aldinga Beach in week 5 of this term. These also need to be completed and returned by Friday week 2.

We will also be going to the Hahndorf Nursery this week.

Hope this information helps us get settled back into school quickly. Thanks. Again I am looking forward to working with you this year.

Yours in Christ,

Karyn
