Dear Parents,

It has been a busy first 5 day week and we are now over half way through the term. It is great timing for a long weekend. Enjoy the weekend.

Shrove Tuesday/ Carnival
You will find some photos of these events on the wiki. I am updating this regularly and encourage you to check this at least weekly. If you did not accept the invite I sent or deleted the email, please send me a message and I can issue another invite.

Zoo Excursion
The information about the excursion is going home today. I am looking for 5 parent helpers to assist with this excursion. If you are unable to assist this time we will require parent helpers for other excursions this year.

Handwriting
At the Reading session last week it was requested that we provide information on correct letter formation. This is being sent home today and contains Information on correct formation of lower case letters, upper case letters and numbers. The last sheet can be laminated if you wish and used for tracing at home. In class we have talking about writing names correctly with an upper case letter first then lower case letters for the rest of their name. Please encourage your child at home to write their name correctly.
