Dear Parents,

What an interesting week of weather we have had! I feel so rugged up for winter and we’re still in March! Although it was disappointing to have Sports Day cancelled today I know that we will still have a great day on Monday! Remember that the children can wear a shirt or spray their hair to match their teams colour and bring streamers to wave and barrack. Our class has been divided into two groups and the children will stay in these to move around the Junior Primary tabloid events. Then we’ll all enjoy the sprints and relays in the afternoon, watching together in our team bays! How exciting!

On Wednesday Mandy Moseley will be teaching the children. She will release me to continue completing some assessment tasks with each child individually. You will be able to make an interview time with me in the next week or two if you would like to discuss these results and your child’s progress generally.

Thank you to my list of P.M.P. volunteers already! I really appreciate this commitment from you. This will certainly be of great benefit to all of the children in Reception.

Are you able to help me collect something else? Empty Napisan containers are a perfect size for water pots when painting. If you could save them for our class it would be very much appreciated. Thank you!

The children are becoming very tired after such a busy term. Please chat to me if you feel that your child needs a rest day to catch up. Next week will be particularly busy with Sports Day and our excursion on Thursday. Thank you so much to all of my helpers for the day. I have more than enough but rather than choosing some ahead of others I have allocated all of those able to attend to a group. However I will therefore need to ask that those coming contribute toward the cost of an adult entry fee. I would appreciate if you could each pay half of this to spread the cost. Please chat to me if you are concerned about this. Thank you.

Have a lovely weekend and God bless, Jenny
