Year 1S Newsletter
Term 1, Week 3, 2012

Dear Parents,

It was wonderful to meet with you and talk about the expectations and routines of Year 1S at the Parent Information Night last Tuesday. If you have not returned the parent communication forms that were handed out could you please do so as soon as possible.

This week students will bring home their readers, sight words and spelling words. Please help your child practice their spelling and sight words and regularly read with them. Each time you read with your child remember to fill out their reading diary.

As part of the student’s morning routine they have been asked to place their home book in the black tray at the back of the room. It would be great for you to reinforce this with your child so that I have easy access to them.

Thank you for your ongoing support,
Mel Southren
