Week 3

Thank you for all those parents who attended our Parent Information night. If you were unable to attend we have sent home a booklet explaining procedures in our classroom. Don’t forget to check out the website for copies of our class newsletters and parent information.

After discussion about lunch and recess eating children will be able to bring a small fruit snack to eat in the morning ‘fruitcess’ which they will eaten before recess. Thank you for input on this issue.

It has been great to see children changing readers when they have completed a book.

In the first couple of weeks we have been learning how to write recounts and the proper structure to use. A great way to support your child at home is by writing letters or e-mails to friends and family. Try to encourage your child to retell what has happen in sentence form. Recounts or retells are a great way to teach punctuations and paragraphs.

In math’s we will be working on our 2, 5 and 10 timetables. We will be reciting them as well as writing them. ...

This term sees us investigating Visual Art thank you to all those parents and grandma who helped out on our walk down the Main street to investigate art work. If you have a spare weekend it would be a great idea to visit the National Art Gallery on North Terrace or some local art galleries in the Adelaide Hills.

Yours in Christ
Mandy and Rene.

Class Get

Come and join us for a day at the beach on Sunday 3rd March 2013. Pack you togs, hats and sunscreen and meet us on Aldinga Beach for some swimming, Beach Cricket and Games. BYO everything but there will be a BBQ supplied for those who wish to use it. Look out for the shade tents with balloons attached to them anytime after 11.00am. Hope to see as many families as possible there and don’t forget your buckets and spades for a sandcastle building competition.

Class Carers
Karen and Louise

Mark 12:30-32

*Love the Lord your God with all your heart and with all your strength.
