Dear Parents,

Thank you to everyone who attended the family service on Sunday. The children worked hard all last week to prepare for the service and they did a fantastic job yesterday morning. Thank you for taking the time to practise their speaking part with them. This really made a huge difference!

This week is a very important week in the church year as we look towards the death and resurrection of Jesus. This week, the school will be gathering together each morning to hear a part of the Easter Story, finishing with celebrating Jesus’ resurrection next Tuesday after the long weekend. This week in class we will also be thinking about what the different Easter symbols mean for people. I ask that if you are planning on giving Easter eggs to your child to share with the class (this is NOT compulsory), that they be brought in on Thursday. We will have a special time on this day to hand out Easter eggs. Any eggs brought in before this time will remain on my desk until then. By distributing eggs all together it will minimize the interruptions that these can cause to our daily routines.

Tomorrow the Junior Primary students will be participating in a netball clinic. Can the children please wear their sports uniform tomorrow as well as Wednesday this week.

I hope you all enjoy a much deserved long weekend.
Happy Easter and God bless
Laura

Lesson Overview:

**Literacy:** Recount writing
