Canberra Trip 2014

Dear Parents/Caregivers,

Now that there are no longer Year 7s at St. Michael’s, there has been a review of camp and concert experiences across the year levels. In years past, the students either participated in two camps and four concerts or four camps and two concerts depending on their year of enrolment.

From this year the camps and concerts have been restructured to be more equitable;

- Concert – every year for students enrolled in Years 1, 3 and 5.
- Camp – every year for students enrolled in Years 2, 4 and 6.

Both of these value added co-curricula experiences are linked to the Australian Curriculum.

Year 6 Canberra Trip 2014 Information Night

This year the Canberra Trip is planned for Tuesday 21st October to return on Friday 24th October.

This is the second week of Term Four.

The tour group will be flying to Canberra and accommodation will be at the Bush Capital Lodge in Canberra. The group will consist of approximately 56 students, 2 teachers, 4 parent helpers and me as Principal.

You are invited to attend a Canberra trip information night followed by Q&A regarding the 2014 Canberra Trip. This will be held in St. Michael’s Lutheran Church (opposite the school) on Wednesday 12th February at 7pm. We strongly recommend you attend this informative evening.

Canberra trip is an essential part of the school’s curriculum and an unforgettable learning experience for every student about our history and place as an Australian citizen. It is expected that all students attend this camp.

You will have noticed that a cost of $900 for the Canberra trip has been applied to your account. This includes a Parliament and Civics Education Rebate (PACER) rebate of $60.

On the night we will be talking about;

- Camp itinerary
- Accommodation and food
- What to bring and what not to bring
- Volunteers
- Q&A

I look forward to seeing you for the information evening. Please bring your questions along.

Yours sincerely,

Steven Seidel - Principal  Rachel Burden - Yr 6 teacher  Daniel Eckermann – Yr 6 teacher
